

# DIRTY ROTTEN SCOUNDRELS

'50s/'60s Rock and Roll // Des Moines, IA

Dirty Rotten Scoundrels is a nostalgic trip back to the start of rock and roll. A trip to when songs were tossed back and forth by artists, and one night could find Johnny Cash, Chuck Berry, and Jerry Lee Lewis all on the same stage. This is about the birth of rock music; over 50 songs from a time before music started its electronic shift. Raw, energetic, and real. Their repertoire is ever-growing and assures you'll be shaking all night long with timeless hits they truly make their own. Like the king himself said, "Rock and Roll music, if you like it, if you feel it, you can't help but move to it".

*"There's a jive between them that captivates an incredibly diverse crowd. Seeing 6 year olds dance along side 60 year olds is something you don't see a band achieve often."*  
- Isaac Joseph (Wooly's)

*"A modern twist that continues to remain true to those original sounds."*  
- Cory Oden, (New York Music Blogger)

*"DRS delivers a well polished but fun performance. Their choice of hits and live energy give them a unique style, instead of just a run of the mill cover band."*  
- Mike Watson (DM Juice)
